## A GILLDE TO THE STATISTICS

Player statistics refer to league appearances during the 09/10 10/11 and 11/12 seasons only. Players who did not play during these seasons are marked with a '0/0'. Players who spont part or a full season outside of the Barclays Premier League during those seasons are marked with ao '.

Where a player has appeared in a league where the season is played over a single calendar year, the statistics will refer to the player's livelyement from January to December of the year given.

Player biography details refer to a player's country of birth and not necessarily the international team they represent.

All first team squad lists are the same as those published on the official club websites. Players loaned out from clubs have been omitted from the final squad lists unless specifically requested by the clubs.

Welcome to the official Barclays Premier League 2013 sticker collection from Topps.

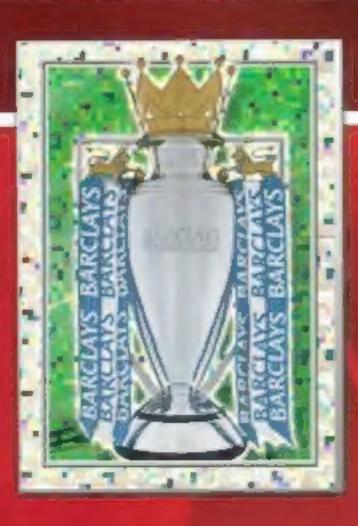

Packed stadiums, world-class players, fierce competition and fantastic support make the Barclays Premier League the most exciting domestic competition in world football, enjoyed in over 200 territories worldwide. We constantly strive to improve each season with the focus being to provide you, the fans, with the best possible football experience.

The Barclays Premier League continues to attract some of the biggest names in world football. It is fantastic to see globally renowned superstars choosing to showcase their talents in English football's top-flight with the likes of Eden Hazard, Santi Cazorla, and Shinji Kagawa joining the league this season. Combine that with the new Barclays U18 and U21 Premier Leagues that are busy developing homegrown players in the mould of Alex Oxlade Chamberlain, Danny Welbeck and Joe Hart, and the future looks very bright indeed.

I would also like to take this opportunity to congratulate Manchester City and Chelsea on their successes last season. Manchester City's exhilarating pursuit of the Barclays Premier League title kept us all on the edge of our seats, whilst Chelsea's night of UEFA Champions League glory in Munich provided yet another momentous victory for English football on the European stage.

Once again, there is plenty to look forward to this season and you can keep up-to-date with all the latest Barclays Premier League action with this fantastic official Premier League 2013 Sticker Collection from Topps.

So, whether you are in the stadiums or watching from home, get closer to the players, clubs and statistics with Topps Premier League 2013 Sticker Collection, a fantastic addition to the 2012/13 Barclays Premier League season.
